

The Italian American Alliance

The Italian American Alliance is an association of individuals and organizations who unite to honor our cherished Italian American Heritage - and who oppose discrimination - particularly though not exclusively against Italians or Italian Americans.

We work for the interests of Italian Americans through educational programs and the promotion of Italian and Italian American Culture.

The Italian American Alliance is endorsed and/or affiliated with:

The Dante Alighieri Society; The Federation of Italian Organizations; The Italian Heritage Committee; The Order of the Sons of Italy; The Pirandello Lyceum; The Sicilian Corner; The St. Joseph Society of Boston

The Asian American Association of Massachusetts; and The Metro Jewish War Veterans

Membership in our Italian American Alliance invites you to become an activist with us. Your annual dues (\$10) supports the alliance in our noble work to advance the cause of social justice; to stand with us against discrimination; and to support Italian American traditions through educational programs which include the promotion of our cherished Italian American Heritage preserving Columbus Day.

Upon becoming an Alliance Member, you will receive a Membership Card, time to time Alliance Newsletters, and an invitation to Alliance events.

2018 Membership Dues is only \$10 and will be used to foster Italian and Italian American causes. More than that, it makes YOU an activist partner in Advancing our common Italian Heritage.
